**Introduction**  
Librarians have used to buy their text to make available the publications embedded in a curriculum by the national publishers in order to satisfy various information needs of their users.

**Consortia** Towards some alliance of institutions having common interest

- According to Smith & Kay (2001) "A consortium is an association of two or more individuals, companies, organizations or governments for any combination of their activities with the objective of participating in a common activity or providing their resources for achieving a common goal."
- "Consortium is a Latin word meaning 'partnership, association or society' and derived from common 'partner', 'joint lives, one 'supplies' and 'one, 'like', meaning 'one of many or several'."

**Some of the Successful Library Consortium in India**

- ICAR - Indian Consortium
- Indian National Digital Library in Engineering, Science and Technology (INDIAENT) Consortium
- ORCA - 3 journal consortium
- Centre for Research Storage in Astronomy and Astrophysics (CRASA)

### Introduction

Library set up are being shut down or under available the information embedded in a response to the internet publishers to even solely - ensure interactive unity of their users.

- Consortiums - Co-ordinate needs, address of problems facing common concerns
- According to Dept. of Lib. (2002) "A consortium is an association of two or more individuals, institutions, organizations or governments or any combination of these entities with the objective of participating in a common activity or providing their resources for achieving a common goal."
- Consortium is Latin word meaning "partnership, association or society" and defines three terms "partner", "share" and "together" and use them, "consortium" or "consortium of members".

### Some of the Successful Library Consortiums in India

- I.A. Indian Consortium
- Indian Technical Journal Library, an Engineering, Technology and Technology (ITJL)
- Consortium
- IASIS's global consortium
- Project for Resource Sharing of Information and Administration (PROSAR)
